

YEARBOOK DONATION FORM

Note: The USPS frowns upon yearbooks being mailed using Media Mail due to the advertising commonly found in the back of these books. We recommend using USPS Priority Mail when sending us your yearbook(s). Since we are located on the East Coast, we recommend using one of the USPS Priority "Flat Rate Large" boxes to save on the shipping costs if you are located in the more distant Western or Mountain USPS zones. If you do wish to mail yearbooks using Media Mail, make sure to label all sides of your package with the word "Books". Thank you!

****Yearbookinfo.com will pay \$5.00 per donated yearbook, so please be sure to include your mailing address to receive a paper check, or e-mail address (for Paypal electronic payments) below.**
