And so it began as I sat by my window, all by myself in

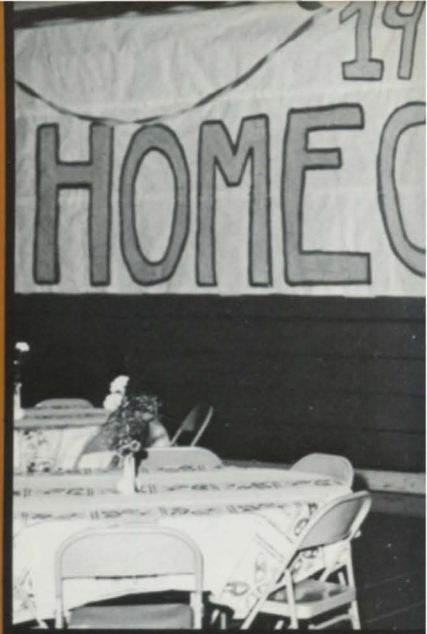

the dawn . . .

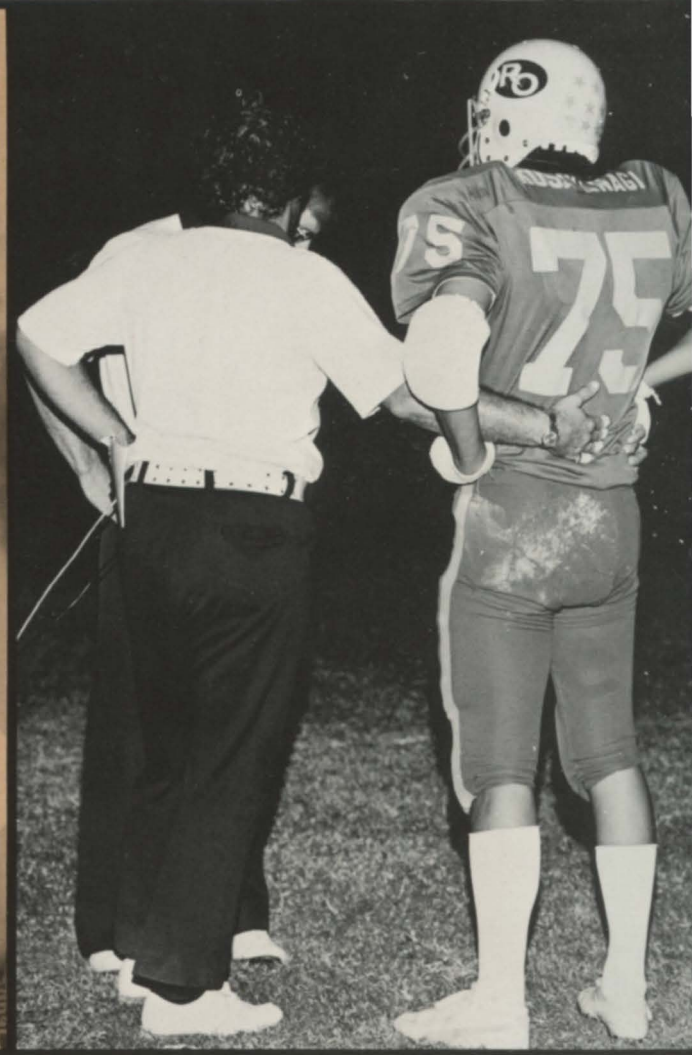

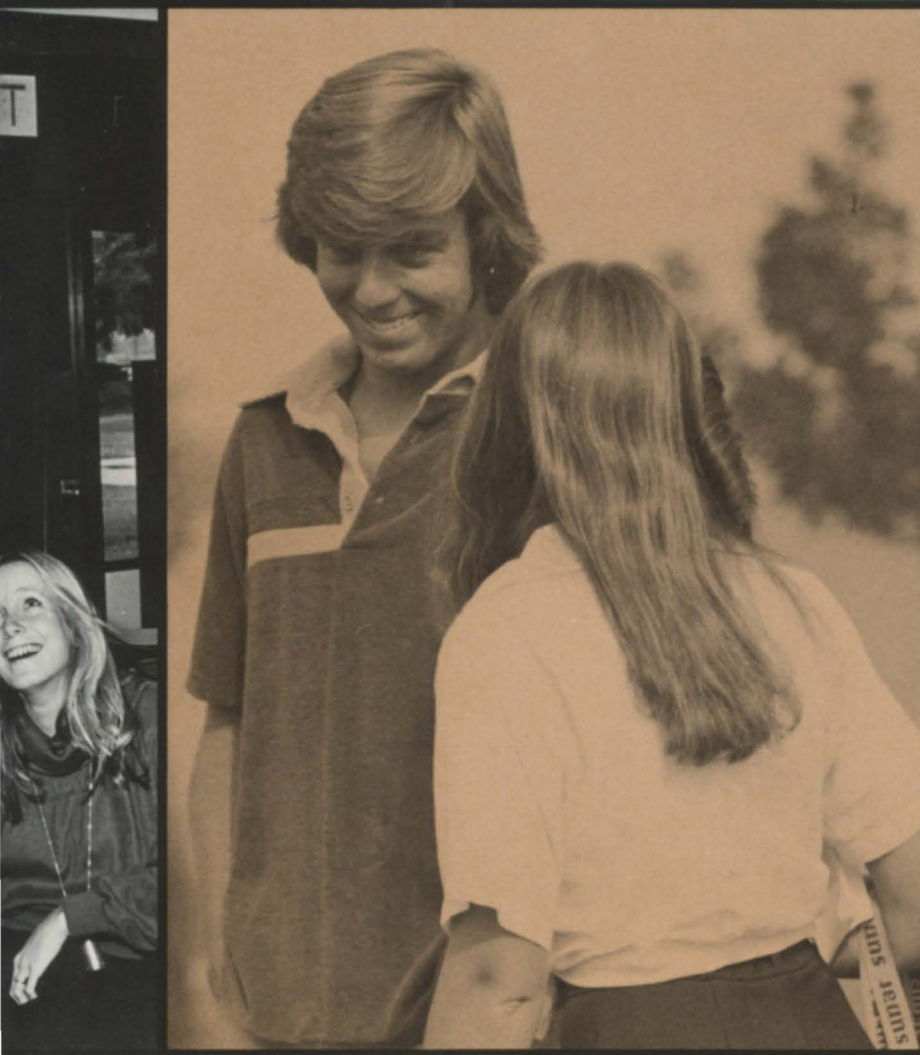

Nobody else, no polite conversation, just waiting for life

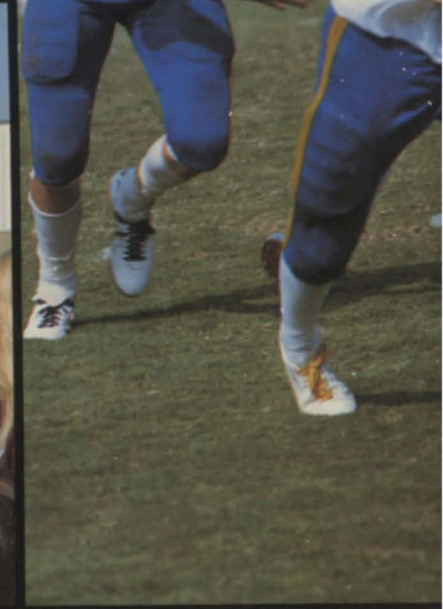

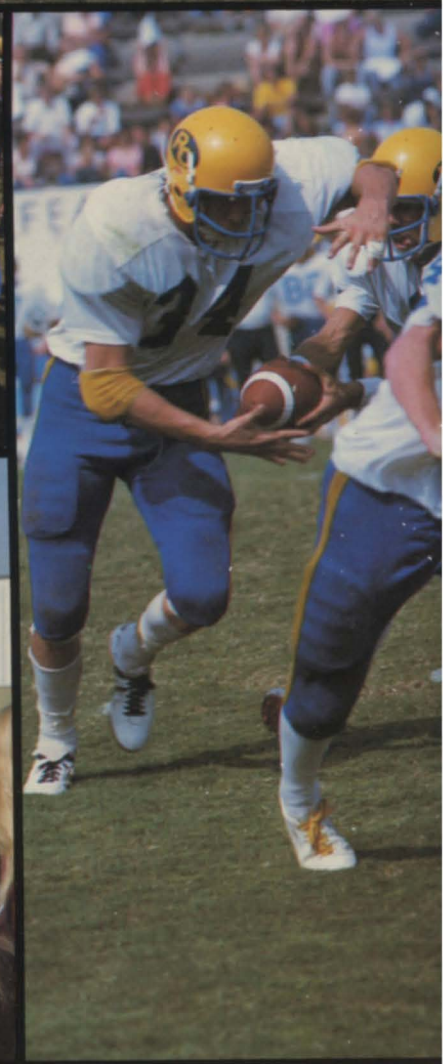

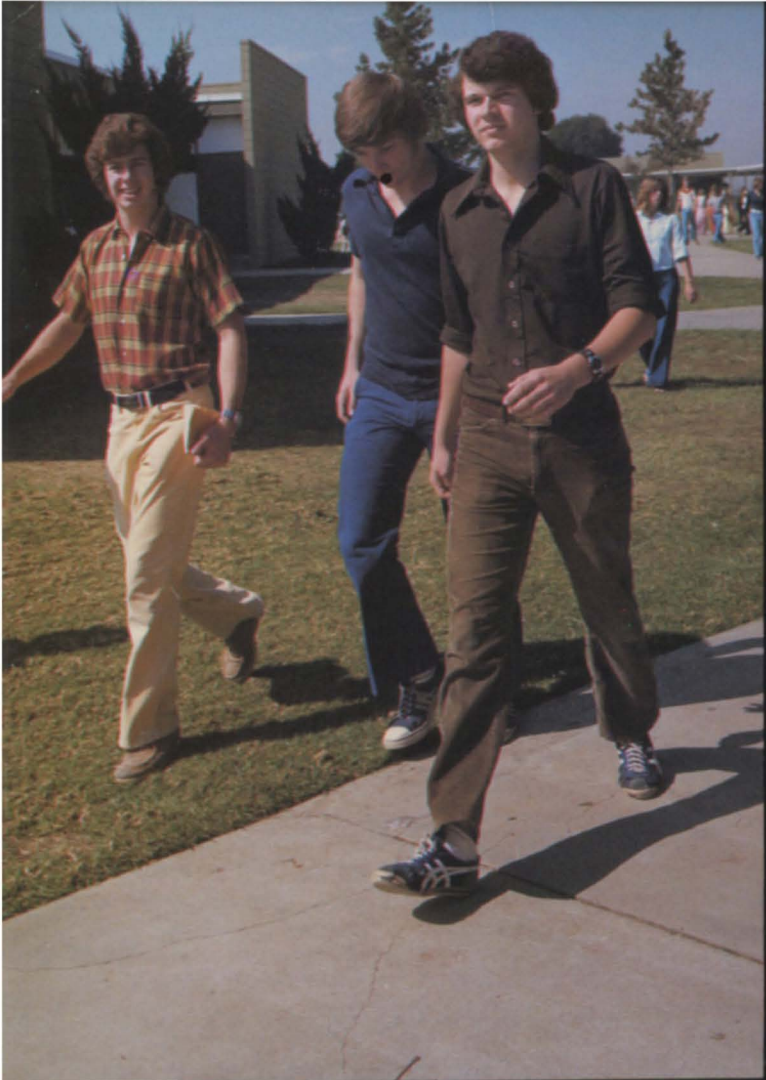

to come on . . .

I think of my life as I look out my window, people I love,

places I've been

Sometimes I feel I could go on forever, with nothin' to

lose, nothin' to win . . .

I'm watching the Sunrise, and glad to be livin; Sunrise,

shine over me.

Thank you to *Barry Manilow* and *Adrienne Anderson* for allowing us to use their song *SUNRISE* in our yearbook.

1978 CHRISTMAS BALL

The 1978 Christmas Ball was a smashing success. This year's theme was "Always and Forever." The lovely court was made up of four lucky girls: Claudia Gade, Kim Marconi, Kari Hemphill and Lori Turnage. The highlight of the evening came with the crowning of our new Christmas Queen, Sandy Garcia. It was a night to be remembered.

Teamwork made this year's team one of the best we've ever had. a) *James Gee's* blocking made possible *Jack Bron's* great yardage gains. b) Interceptions by *Steve Wilcox* and other defensive players gave added spark to the team. c) Other defensive players, such as *Bill Stone* and *Don Sturm* held the opposition down every time; d) Spirited breaks such as *Mike Collins* and *Greg Mcghghy* helped to neutralize the opponents' drive. Although small in number, the Royal Oak boys' Varsity Tennis Team proved big on talent. As the individual pictures indicate, our opponents in the Spring of 79 had much to fear.

J.V. TENNIS

Front Row, L-R: H. Park, J. Wallace, D. Blunt, C. Mullison, D. Hoenig, K. Barrett, M. Curtis, M. Sanoy, S. Mortensen, T. Leutheuser, J. Lloyd. Second Row, L-R: G. Arvizu, C. Ensmann, P. South, C. Bolta, R. Brown, B. Zola, D. Honner, D. Nicholson, E. Lindsay, C. Echevarrieta, Coach Mandala.

The Junior Varsity Tennis Team pound their prospects bright. Well into the season, the team was undefeated and considered by many to be potential league champions.

GAA TRACK

Front Row - L-R: T. Croffoot, T. Garcia, S. Goldstein, E. Collins, K. Kimball, M. Robinson, J. Dugas, M. Robinson, R. Doan. Middle Row - L-R: L. LaCroix, J. Johnson, L. Markiewicz, H. Kirkpatrick, D. Unfortunately, the boys failed to field a track team in '79, but, as is apparent from the team picture, the enthusiasm for girls' track was bigger than ever. With the special talents of athletes such as Heidi VonEssen (hurdles) and Lora Sutton (distance), the track team had a very successful season.

VARSIY SOFTBALL

Front Row, L-R: L. Sanchez, D. Thompson, L. Wiseman, D. Lee, N. Riegert. Second Row, L-R: M. Trickey, M. Shadrack, C. Rainey, J. Hanks, J. Hanks, W. Howard.

Girls' Varsity Softball headed into the '79 season with every expectation of making it to CIF competition once again. With veteran players such as Wendy Howard, Julie Hanks, and Janet Hanks, hopes for many victories were certain to be met.

J.V. SOFTBALL

Front Row, L-R: R. Gee, C. Ortega, S. Straub, S. Hutchison, K. Enis, A. Lee, K. Willett. Second Row, L-R: P. Anderson, L. Walby, R. O'Neill, C. Straub, J. Stoops, L. Black, C. Jackson, L. Latus, Coach Bailey.

PLAY PRODUCTION

Mr. Baird

Play Production is a class that meets after school at Charter Oak. The students from ROHS and COHS get together for one basic reason, to produce plays-which they do quite well. In fact, these plays have won a chance to perform at a high school theater festival for five years in a row, and will possibly go again this year. The biggest reason for the success, and quality of these plays, is that they are directed by H.K. Baird, and that a lot of people put in hundreds of hours working on them, whether it be acting, working on scenery, working the lights, or other phases of the production. When you put in at least one hundred hours, you are eligible to become a Thespian.

Thespians-above; Amy Schur, Sue Brown, John Kenyon, Denise Drayster, John McDaniel, Cindy Brooks, Gayle Johnson, Ilene Newman, Monique Salvato, John Manahan, Jim Clink, Pam McKovich. Top; Denise Waggoner,

DEPARTMENT

CHORUS

Royal Oak High School's *Music Department* has strived for excellence in performance this year. Despite the small groups, *Mr. Farris* has done an excellent job. The students have learned a great deal and done remarkably well.

A.S.B. PRESIDENT

As *A.S.B. President*, I have had many valuable and exciting experiences. It certainly was never boring! Even the election was unusual, considering my speech was given by a friend, while I was in the hospital.

I certainly learned how to handle responsibility on my own. There were times when I wanted to hand over all my responsibilities to someone else, anyone else but me.

Students often ask me, "What have you accomplished this year? What have you done as President?" What they don't understand is that there aren't any major problems to work on at Royal Oak. I did start the *Royal Oak Forum*, which has considerably improved the student body. I also established a Chapter of the *Junior Statesmen of America at Royal Oak*, which enables student leaders to participate in statewide conferences and conventions geared at acquainting students with their local Government.

All in all, this year has been a good one. I've seen our school spirit increase, student communication improve, and I've seen a small decrease in student apathy.

I hope Royal Oak students will always appreciate the fine school they attend, and take every opportunity they can to get involved.

Gretchen Kirsch

STUDENT GOVERNMENT

A.S.B. VICE-PRESIDENT

Serving the office of A.S.B. Vice President has been a great social and educational experience for me.

I have enjoyed helping the classes with their problems, and running the leadership class.

I have really enjoyed working with Dr. Brand, my past three years of leadership. For he is truly a great person with a lot of understanding.

And, I would like to encourage more people to get involved in supporting our school by running for offices and joining various sports clubs, and pep unit activities.

Thanks and good luck.

The President's Advisory Board consisting of: Ava Stanley, John Frent, Tom Stewart, Beth Henry, Gretchen Kirsch (Pres.) and Melissa Trickey do in depth inquiries of different areas of school functions. The ASB President, Gretchen Kirsch, consults them on important ASB matters.

LEADERSHIP - LEADERSHIP

This year's *Leadership Class* consists of 26 members, which is the largest number of students ever to be included in Leadership. Some of the goals of Leadership Class are to better communicate with students, to plan special

activities, and to participate in community related projects. The students involved in these projects try to represent the total Royal Oak ASB and to present an ASB program which is enjoyable and relevant to the goals established.

ALL THE WAY HOME

ROYAL HUNT OF THE SUN

THEATRICAL PROS

JOHNNY BELINDA

LIFE WITH FATHER

The month is December - The day, Wednesday. The entire Royal Oak/Charter Oak Drama Department sits in the drama room at Charter Oak High School talking and waiting. A phone rings . . . as Director H. Kay Baird answers, there is total silence. When he hangs up the phone he announces that he is needed in the office and that he will return shortly. The nervousness begin to build and conversation once more begins. When Mr. Baird returns he is holding a yellow slip of paper from Western Union . . . it is a telegram. With a lump in his throat he announces to his drama group that they have won the California Educational Theatre Association Festival and will perform for all their peers at an annual weekend festival gathering. There is a moment of silence while all within sit in awe, then the room breaks into total energy. Screaming, laughing, and crying can be heard all over the campus.

This is the familiar scene that has taken place (with a few variations) every December for the past 6 years. Congratulations to our widely reknowned theatrical group. We all wish you continued success.

The Work Experience Education Program of the Charter Oak Unified School District has announced recipients of awards for excellence in community classroom training sites. These awards are given each semester to students who have been out-standing trainees in the businesses and industries with which they work. The visitations at the job site by the Work Experience Education Coordinator, employers' evaluations, and student participation in the related instruction program are each taken into account. The students honored with this recognition are on these pages. Congratulations to you all.
