

*Chatting in the hall, Kim Saunders and Holly Rice shared some time between classes. Not every senior had an easy course load-notice the Calculus books in their arms.*

*Guidance was abundant in Mr Petroziello's office. Mike Kotmel found good advice on his post-graduate plans. Mr P. always met students with a smiling face and plenty of conversation.*

*The Seniors who dared to progress into higher math were met with quite a challenge. In 1st Period Calculus, they hung on each of Mr Gavich's words.*
