

Maneuvering the ball around an opponent, Christie Edwards drives down the court.

Maggie Wood goes up for a perfect shot from the foul line.

Girls JV — Basketball

The Girls Basketball program was the talk of the winter around school. As soon as the words 'girls basketball' were heard, we automatically thought of winners. The Varsity and JV Squads were both outstanding, but there was no way the JV team would stand in anyone's shadow.

Under the direction of Coach Liz

Fowler, the girls finished their regular season at 14-0, 15-2 overall. Every win was a greatly deserved, much worked- for victory. When the girls were on the court, everyone in the bleachers saw them working together like a piece of finely tuned machinery. Their precision playing left their opponents in the dust.

At the end of the season we knew that there was no reason to fret about the Varsity powerhouse players who were graduating. We could rest assured that the JV Squad would be the ones to carry on the winning tradition of the Lady Indians.
