

FSA

Future Secretaries of America met during Activity Period under the mentorship of Mrs Lovell. The club prepared members for careers in the secretarial profession.

Among their activities were hearing lectures from legal professionals. Local Judge John Callahan spoke on his career. They took self-analysis tests, participated in blackboard challenges, and keyed typewritten pictures that depicted current events.

Later in the school year, FSA invited the Elmira Business Institute into one of their meetings to discuss business careers. They also held an end of the year dinner at Pierce's Restaurant in Elmira Heights. *By Deanie Seafuse & Tiffany Fair*
